University of Kalyani

About the course: Chapra Bangalji Mahavidyalaya is one of the best centre in Nadia district of postgraduate study under Directorate of Open and Distance Learning (DODL) of Kalyani University. Bengali, Education, English and History are taught here. As per the rules of the university CBCS semester system, the full course consists of four semesters and each semester is completed within six months. Internal assessment is conducted every semester under the supervision of the college and the main examination is conducted under the supervision of the concerning university. Appropriate study materials for each semester are provided by the university. This centre regularly conducts classes. If necessary, professors from different colleges or universities come and take classes. Many students have successfully completed their post graduate courses from here.
