

Institutional Distinctiveness (Metric: 7.3.1)

This college is established in the 2001 and situated in a minority based area. Within a very short span the college has become a key institution of this rural area. The role of the institution is very vibrant for spreading education in this locality. Previously it was very difficult for girl's students of this vast locality surrounding Bangaljhi Village to take the opportunity of higher education. Particularly in this minority-based area the girls students faced severe problems form their family because of their ignorance. After the establishment of this college this girls students of this area have been benefited by getting the advantage of higher education. The Percentage of girl's students is remarkable in this college for the very reason. Many students of this institution are first generation learner. This may be designated as the most distinctive feature of the college.
