

Report of Survey by Stakeholders

The institution incorporates the valuable suggestion from other stakeholders who are actively engaged in supporting the institution from time to time. The stakeholders include its teachers, alumni association members and the parents who have been a support pillar for the college and they have always been very helpful and suggestive whenever the institution is need of their help.

Various suggestions to the institution have come from student side where they have demanded for better educational facilities like more faculties, extensive use of virtual classroom, developing the library facilities, educational tours etc. Alongside the students feedbacks and suggestion from its teachers, guardians and alumni association have provided their suggestion that is very vital and necessary for an institution. The teachers provide feedback on different parameters adopted by enhancing the teaching learning process. The survey shows that the teachers are happy and satisfied by the syllabus that has been designed for teaching process. They are also happy by the evaluation process that is designed to evaluate their students from time to time. They are also satisfied books available in the college library and have suggested for more books and journal subscription in the institution. The freedom to choose their education techniques given by the institution to the teachers have been praised by all the teachers. They also expect that more ICT classrooms will be added in future which will even develop the teaching-learning process of the college.

The Alumni association of the college is also happy and satisfied with the college and its authorities in developing the level of the college with time passing by. They have praised the college administration continuously engaging itself in upgrading itself and supporting its students and faculties in times of need. The feedback provided by them shows that they have shown a satisfaction while evaluating the college in different parameters which includes infrastructural facilities, cultural events, evaluation process etc.

Guardian's final pillar of the stakeholders is also happy and satisfied the way college is functioning and managing its different activities. They have been very active in performing their role and have performed their duties whenever they have been asked by the institution.

The institution will work on the suggestions provided by the stakeholder to overcome its drawbacks and create an environment of learning and development.
