1.4.1. Stakeholders feedback analysis report (2022-23)

Stakeholder's feedback is the backbone of the institutions in terms of its academic and infrastructural development. The institution incorporates the valuable suggestion from stakeholders (students, teachers and alumni) who are actively engaged in supporting the institution from time to time who have been a support pillar for the college and they have always been very helpful and suggestive whenever the institution is need of their help.

Suggestions received to the institution from student side where they have demanded for better educational facilities like more faculties, extensive use of virtual classroom, developing the library facilities, educational tours, and toilet for girls Common Room, Shade for vehicle and seating place in the campus, equipments for multi-gym etc.

The teachers provide feedback on different parameters adopted by enhancing the teaching learning process. The survey shows that the teachers are satisfied by the syllabus that has been designed under CBCS for teaching process. Evaluation process also is seems to be satisfactory to the teachers. They have suggested for more books and journal subscription in the institution. Besides they have also suggested for more teachers and office staff, Journal subscription by the college, inter-department faculty exchange, staff canteen, books for CBCS syllabus, renovation of staff room, gateman, watchman and computers for every departments.

The Alumni association of the college is also happy and satisfied with the college and its authorities in developing the level of the college with time passing by. The feedback provided by them shows that they have shown a satisfaction while evaluating the college in different parameters which includes infrastructural facilities, cultural events, evaluation process etc.

The institution will work on the suggestions provided by the stakeholder to overcome its drawbacks and create an environment of learning and development.
